

**2026 IEEE The 11th Optoelectronics
Global Conference (OGC 2026)**

Shenzhen, China | September 08 - 11, 2026

【About OGC 2026】

The big leaps in optoelectronic technology and academia have drawn increasing attention from the industry community which is always in searching of innovative solutions. Optoelectronics Global Conference (OGC) was created to pave the way to connecting optoelectronic academia and industry as well as connecting China and the rest of the world.

2026 the 11th Optoelectronics Global Conference (OGC) will be held in Shenzhen, China, from September 08 to 11, 2026, which will be held concurrently with the 27th China International Optoelectronic Exposition (CIOE). OGC 2026 is sponsored by IEEE Photonics Society Guangdong Chapter, technical sponsored by IEEE Photonics Society, hosted by Department of Electrical and Electronic Engineering, Southern University of Science and Technology, Jinan University, State Key Laboratory of Optical Fiber and Cable Manufacture Technology, Guangdong Key Laboratory of Integrated Optoelectronics Intellisense, co-hosted by Nanjing University of Science and Technology, Beihang University and LSA.

The conference aims to promote interaction and exchange of various disciplines among professionals in academia and industry at home and abroad. In addition, it also serves to turn technologies into industrial applications. It's expected that 300-500 professionals will attend the conference.
